

Natural Disaster Application

V3 2/2022

[15-16-611, MCA](#) and [15-44-104, MCA](#)

When a natural disaster occurs, a property owner may request property tax reduction on:

- structures and equipment destroyed to the extent that it is unsuitable for its previous use due to the natural disaster; and
- forest lands where the trees are destroyed by fire, disease, insect infestation, or other natural disaster so the land affected will not meet minimum stocking requirements.

Submit your completed and signed application to your local Department of Revenue field office. Go to MTRevenue.gov for the mailing addresses of our field offices. We will review your application and send you a letter to let you know if you qualify for the natural disaster property tax reduction.

Required Information

Property Owner Name _____

Property Address _____

Mailing Address _____

City _____

City _____

State _____ ZIP _____

State _____ ZIP _____

County _____

Email _____

Geocode(s) (# can be found on your classification and appraisal notice)

Contact Phone _____

Date of natural disaster _____

Type of natural disaster that caused the damage _____

Property type destroyed by the natural disaster

structure(s)

equipment

forest land trees

Legal description of the property where the natural disaster occurred

For structures and equipment destroyed by the natural disaster, answer questions 1 and 2.

Note: If the property was destroyed after the property taxes were paid for the current year, the taxpayer is entitled to a refund of the amount of the tax paid prorated for the portion of the year that the property was unsuitable for use.

1. Description of the structural damage cause by the natural disaster:

2. Description of the equipment damage caused by the natural disaster:

Note: If you receive a property tax reduction on this equipment and replace it in the same tax year, you must report it to the department. The replacement equipment may be taxable from the date of purchase to the end of the year.

For forest lands upon which trees were destroyed by fire, disease, insect infestation, or other natural disaster, answer questions 3 and 4.

Note: If the department approves the landowner's natural disaster application for forest lands, the department shall reduce the value of the forest land by 50% of the original forest productivity value for 20 years after the year the disaster occurred.

3. Description of the damage to the timber stocking on the forest land caused by the natural disaster:

4. Number of acres affected by the natural disaster: _____

Certification and Signature

I certify, under penalty of law in [45-7-202, MCA](#), that the information provided in this application form is true, correct, and complete.
