Helpful Hint

We have brought back an old process. If we have a case that is missing one or two bottles/cans from it due to damage, we note it on the case and credit the store that receives the case immediately. If you receive a case that has this sticker on it, please check your TAP account for the credit. Should you not see this credit please call Mickey, Tom, or Brenda to verify. We are doing our best to keep this as seamless as possible for everyone.
