

## Marijuana Engagements & Events

This document was created to assist licensees with compliance requirements during marijuana-related engagements and events; it is also intended to assist local and state law enforcement and event organizers throughout the state.

The Cannabis Control Division wishes to reiterate that public consumption of marijuana and marijuana products remains prohibited per Montana statute, [MCA 16-12-108\(1\)\(k\)\(i\)](#).

**Prohibition –  
All Public Consumption Dinners**

- This includes the prohibition of consumption at **ANY** business considered to be a public establishment.

- Even if private dining rooms are provided: restaurants in possession of an alcoholic beverage license, issued by the Alcoholic Beverage Control Division, are considered public for any part of the building within which alcohol is served, as stated in [MCA 16-4-404\(5\)](#).
