## Agent News

**\*We will NOT be doing the weeklong January Inventory closure.**

**\*TAP and Gentax (which is the state's financial operating system) has completed a large version update.**

**\*Chopin Vodka 255-034244-75 has the wrong price listed in the price book. The price listed is \$21.00 per bottle and the correct price is \$24.45 per a bottle.**

**\*If you usually have your Backorder window open on TAP while putting in your order with the changes you can't have both open at the same time, but you can pull your Backorder list to an Excel sheet and have that open as you are building your order.**

**\*13 January 2025 the Liquor Warehouse will be closed in observation of Martin Luther King Jr Day. Some order dates will be impacted, but repack will remain available.**

**\*385-990604-75 Gold Miner Apple Brandy & 430-990688-75 Glacier Coffee Liqueur are changing from a 12 pack to a 6 pack on January 1<sup>st</sup> 2025.**
