Integration & API

For licensees, please select the link above for a list of validated software solution companies. Please check this link periodically as the list will be updated as new companies are added.

For third party vendors, the steps to obtain access to the Metrc API in Montana are:

1. Request API developers documents and complete the information requested and email to api-info@metrc.com.
- Company Name
- Company Address
- Company Website
- Company Phone Number
- Primary Contact Name
- Primary Contact Email
- Primary Contact Phone Number
- Secondary Contact Name
- Secondary Contact Email
- Secondary Contact Phone Number
- Name of Software

2. Attend a Metrc training class and complete the test.
3. Download, sign and return the API Use Agreement to EDucharme@mt.gov and copy api-info@metrc.com. This must be signed by a person with signature authority within the company, such as an Officer.
4. Once Metrc receives approval for the API User Agreement, a test vendor API key for the sandbox will be generated.
5. Complete Capability Assessment in the sandbox. A document of the functionality assessment criteria will be provided to you when you submit your request. Requests should be submitted after completion of the Metrc training, not prior.

After these steps are complete and the evaluation is validated, Metrc LLC will issue a production vendor API key. When Metrc sends your production vendor API key, we will also ask for your company and contact information to add it to the Validated Integrator List.
