Inactive Businesses: File Form INA-CT on TAP

Businesses that are not actively conducting business in Montana and would like to maintain good standing with the Montana Secretary of State must file Form INA-CT for every year in which they have no activity in Montana.

Form INA-CT is valid only for one tax year. It must be filed each year unless an income tax return is required. Review the form's [instructions](#) for more information about eligibility.

Form INA-CT is now available to file on our TransAction Portal (TAP). After June 14, the paper form will no longer be available for download.
