Serving Alcohol Outside During an Event

How can I serve outside my bar during an event going on outside?

There are a couple of ways to lawfully serve alcohol directly outside of your bar:

1. Submit an Alteration Form prior to the event to extend your licensed premises BEFORE you intend on participating in the event:

   • With your current floor plan.
   • With your proposed floor plan.
   • You may request a seasonal outdoor space event area for your licensed premises.

How to avoid common mistakes:

2. Cater the event with your alcohol catering endorsement:

   • Incomplete Applications: The form must include both your current and proposed floor plan.
   • Serving Before Approval: You must receive Department approval of your alteration.
   • Not Contacting Building, Health and Fire Officials for Inspections: The Department must receive all inspection approvals before we are able to approve the alteration, including the Department of Justice final premises inspection.
   • Waiting to send in the Alteration Form: The Department needs enough time to work an alteration case. This includes receiving the inspections from other agencies. The Department recommends allowing at least 2 weeks.
   • Contact the sponsor of the event.
   • Have a contract with the sponsor of the event.
   • Notify local law enforcement using the Catering Event Request Local Law Enforcement Notification Form found on our website: MTRevenue.gov.
2. Cater the event with your alcohol catering endorsement continued:

- An event barrier shall be required to clearly mark where the sale and service of each licensee’s alcoholic beverages is allowed.

How to avoid common mistakes:

- **Sponsoring Your Own Event:** You must have an executed written agreement with the event’s sponsor.
- **Not Notifying or Paying Law Enforcement:** You must notify local law enforcement and pay the $35 fee.
- **Not Reporting the Event:** The Department must receive the electronic form by the 15th of the following month the event occurred.

Remember:

- You may only have alcohol your bar has sold to your customers on your licensed premises. NO OUTSIDE ALCOHOL ALLOWED.
- Do not sell to over intoxicated people.
- Do not sell to anyone under the age of 21.

** All licensees must comply with all Federal and Montana alcoholic beverage laws and rules.
