

## Guide to Submitting a Statement of Deficiencies Response and the Required Documentation:

\*A licensee must receive a letter from the department to submit a deficiency response.

After an inspection is completed, the licensee will receive a Deficiency Report letter from the Cannabis Control Division. If no deficiencies are identified, a report will still be issued but there will be no deficiencies noted.

The licensee is required to respond to the deficiencies through a Statement of Deficiencies Response application via the <u>TransAction Portal (TAP)</u>. Completion of this application must be within 10 days of receipt of the report.

If a response from the licensee is not received within the 10 days, the department will assume that the deficiencies have not been corrected. Failure to correct all deficiencies and submit required materials in a timely manner may result in potential department action.

- The licensee is required to respond to each deficiency and submit the response application in the <u>TransAction Portal (TAP)</u>.
- Each deficiency must be responded to and supporting documentation must be uploaded with a detailed description to easily identify the deficiency being addressed.
- To support the claim that each deficiency has been corrected, the licensee will submit documentation in the form of photos, documents, or other attachment(s) within the application.
- A follow-up inspection may be completed to verify the licensee's Plan of Correction

•

<u>Please NOTE</u>: Your online session will timeout after 45 minutes of inactivity. Please save your work if you will be away from your computer.

## Instructions:

- 1. Log into your <u>TAP</u> account.
- 2. On the Cannabis License section, click on More...
  - > Make a Payment
  - New Cannabis License
  - View Sites, Application Summaries, and Payments

> More...

3. Under the Account Options select "Submit a Statement of Deficiencies Response". (This will only appear after the Deficiency Report letter has been issued.)

Account specific forms/applications.

- Submit Packaging and Labeling Application
- View Packaging and Labeling Status

Submit a Statement of Deficiencies Response

- Update Owners and Ownership Percentages
- Update a Dispensary, Manufacturer, Cultivator and/or Transporter License
- > Send Us a Message

4. Enter the Letter ID from the Deficiency Report letter and click next.

Please enter the letter ID from your deficiency letter.				
* Letter ID Required				
Cancel Save Draft	<	Previous	Next	>

5. Confirm the Licensee, DBA (if stated), Letter Date, and Letter ID information is correct. There are instructions and information for assistance if needed as well. For guidance contact your inspector or the Education Specialists.
