

Cannabis Control Division Physician Statement for a Debilitating Medical Condition

PSDMC
V4 5/2022

Registered cardholder applicants with a debilitating medical condition must use this form when applying for a Cannabis Control Division card. A *medical doctor or doctor of osteopathy* must complete this form for the registered cardholder applicant.

Completion of this form does not constitute a prescription for marijuana.

Physician and Patient: Read This Checklist Before Sending This Form to the Department

- The physician completing this form must respond to items one, two, and three on page two in the space provided or in attached documentation.
- Forms must be filled out completely and may not be modified or edited in any way.
- A patient application is also required with this form. Patients should go to the Department of Revenue Transaction Portal (TAP) at <https://tap.dor.mt.gov> to submit their application
- The Physician Statement must be submitted with a patient's application within 60 days of the date of the physician's assessment. Registry Identification cards will be issued based on the date of application approval for the period of time specified by the physician on page 3. Physician statements submitted more than 60 days after the date of assessment will not be accepted.
