

# April 20: **The Big Day!**

*Follow guidelines and stay safe!*

**Driving High Is Still A DUI!** Remember that you can receive a driving under the influence charge if you drive while under the influence of marijuana. Do not risk your or anyone else's safety by driving while high. Use ride services if you need to travel.

**Travel Safe!** Personal marijuana and marijuana products should be stored in a safe place while traveling.

**Safe Storage at Home:** Make sure to keep marijuana and marijuana products away from children and pets. Store your product(s) in a secure location that is not easily accessible.

**Public consumption is not legal!** Public use of marijuana or marijuana products is not legal anywhere in Montana.

**Treat Yourself!** Stay hydrated, have your favorite foods around, and avoid mixing marijuana with other substances.
