Responses to comments from last meeting-Jason Johnson, GCD Administrator

Chance to comment on topics from last meeting-Application forms discussion (this could be on any of the applications we have from a new license to an alteration, etc. Please focus on those you are most familiar with) – if the answer is no, we are looking on ways to improve

- Are they easily located and accessible?
- Are the forms clear on what is needed?
- Are the forms clear on how/where to submit requested information?

Communication throughout the application process

- o Is it helpful?
- o Could it be improved?
- o Is it clear who does what?
